

## The Juvederm Range

### Juvederm HYDRATE

Juvederm HYDRATE offers deep hydration to give you smoother, firmer skin in areas that are often sunken.

### Juvederm ULTRA SMILE

Juvederm ULTRA SMILE is specifically for your lips to create natural, smooth, beautiful results. And, Juvederm ULTRA SMILE is also used for the correction of perioral lines.

### Juvederm ULTRA 2

Juvederm ULTRA 2 is a highly cross-linked formulation for the subtle correction of medium facial lines and wrinkles.

### Juvederm ULTRA 3

Juvederm ULTRA 3 also enhances lip contour and volume. Juvederm Ultra 3, a thicker gel, allows more natural-looking lip volume.

### Juvederm ULTRA 4

Juvederm ULTRA 4 is a highly cross-linked robust formulation for volumising and correction of deeper folds and wrinkles.

### Juvederm™ VOLUMA™

Juvederm™ VOLUMA™ is injectible hyaluronic volumiser that recontours the face to restore volume to the cheeks and temples.
