ACTILIFT

Moisturising cream with tensor effect (contains pure, non-esterified DMAE)

Indications

- Rapidly visible lifting effect.
- Improvement of the epidermal defences and dermal moisturisation.
- Inhibition and repair of collagen and elastine “cross linking” (visible tightening of the skin). Gradual duration.
- Compatible with botulinic toxin.

Clinical results prove it: Actilift with DMAE helps your skin gain in firmness and elasticity. The oval of your face will be more defined.

Apply in the morning and evening during the first 4 weeks, then once a day.

£39.99 Actilift 50ml

Price inclusive of Recorded delivery.

ACTILIFT BODY

Body milk with tensor effect (contains pure, non-esterified DMAE)

You can benefit from DMAE's effect all over your body

- Skin ageing is at last remedied all over.
- Moisturises the skin, makes it smoother and firmer.
- Repairs the collagen and elastin cells.
- Tensor effect with progressive and lasting action.

Apply in the morning and after washing.

£42.99 Actilift 200ml

P&P included.

MARKS

Because the skin undergoes different aggressions in the course of time, this makes for the appearance of ungainly marks.

To remove them or alleviate them sensitively, Skin Tech has perfected a very effective cream.

BLENDING BLEACHING CREAM FOR BLOTCHY COMPLEXION AND MARKS

500 ml of Blending Bleaching Cream for skin with acne. Price inclusive of Recorded delivery.

Price inclusive of Recorded delivery.

PURIFYING CREAM

Cream and gel for skins with acne.

2000 Purifying Cream 50ml. It is a highly effective treatment to prolong the effect of imbalances laser peelings in acne.

Price inclusive of Recorded delivery.

PURIGEL

Mildly mentholated, Purigel immediately refreshes the skin and calms irritation. It is a long-term maintenance product.

- Antiseptic and anti-inflammatory..
- Decreases the secretion of sebum and closes up dilated pores.
- Improves skin generation due to regular exfoliation of dead cells.

Apply morning, afternoon and evening on clean skin to avoid reappearance of acne episodes.

£36.99 PURIGEL 50ml

Price inclusive of Recorded delivery.

SKIN HYGIENE

Cleaning of the skin is a necessary step for the care of the face. To have a pretty complexion the skin must be cleansed daily of environmental pollution residues, traces of make-up and the surplus of sebum which prevents it from breathing.

CLEANSER

CLEANSING FOAM

~~£34.99~~ £34.99 CLEANSER 150ml

Price inclusive of Recorded delivery.
