I have tried every diet going...I am truly amazed! just in 5 days I have lost 10lb (over half of a stone!)

I can honestly say dieting as never been as easy, I feel full all off the time, when I do eat a meal, I am full on half of what I am used to eating. I don't have the cravings for chocolate like I normally have on any diet I have tried-this is a first! I am happy taking this painless injection daily with the reassurance it is used within our National Health Service! I can't thank Carron enough-Thank-you for educating me about this miracle weight loss injection! All the Thank-you in the world!!!
